From the President

Given my last communication about revitalising our Committee, the rain and gloomy weather which hung over our AGM were not, I thought, good portents for our ongoing viability.

But just as the country so desperately needed the rain, it seemed to have an equally beneficial effect on our Association.

Though the crowd was not huge, it was much greater than would have been anticipated. It was particularly encouraging to welcome our Patron, Dr. Don Beard, and Max Jacquier and his wife, who have recently moved back to Adelaide.

It was moving to learn that at least one member had travelled from Queensland on business but had made the time to join us for the morning, as had another Old Scholar who had travelled over from Kangaroo Island. Thanks to everyone who made an effort to be at the AGM and those who sent apologies, messages of encouragement and their best wishes.

It is most pleasing to report that, not only was a full committee elected, other members indicated their willingness to become involved in the Association. Thus the ATHS Old Scholars can look to the future with some confidence.

Indeed our first committee meeting has already been held and plans put in train for a number of activities for the future. I look forward to catching up with many of you at one of those events.

I would again like to thank the retiring members of the previous Committee for their diligent application in the last year, those continuing in office for their dedication and fidelity and those who are either new, or like our secretary Judy, returning for another stint, for their willing enthusiasm.

With your support, and working as a team, I trust that we will be able to make the years ahead good ones for our Association.

Mark Brindal
President

Congratulations

Magazine

Apologies for the lateness of the 2006 magazine. Due to the uncertainty of our Association early in 2007, the magazine has been in limbo for a few months. It is now complete and we hope that you enjoy reading it.

If any members have articles of interest or stories that they would like to share with their fellow Old Scholars, please send them to Sue Thomson, PO Box 140, Highbury 5089 or email to karlee@whogoeswhere.com. We would appreciate these for future newsletters and magazines.

ANNUAL PICNIC
ANNUAL GENERAL MEETING**

Our Annual General Meeting and Picnic was a success. The weather stayed reasonably fine. The ATHSOSA will continue for another year. We now have eleven committee members, with 5 newly elected members. Thanks to Mark Brindal, Chas Grimes, Kath Harrison, Lesley Moir, Sue Thomson & David Stoba for restanding. We welcome back Don McColl & Judy McKeough & our new members David Swift, Warren West & Beryl Aylen. The chicken and salad was delicious. Thanks to those who contributed. Our next event is the Annual Luncheon.

Thanks to our retired committee members Peter Keen & Lyle Baldock.

Thanks to all members who have already joined for 2007 - new and old. We are still going strong because of your support, both financially and your presence at the AGM picnic at Heywood Park.

Thanks to all those people who came to give us our quorum so we can run successfully for another year. We are still looking forward to seeing some more younger members from the 1950's, 60's & 70's especially "The New School" Glenunga Old Scholars. Your support will give us a future.

Calling all 1958 Old Scholars!

Did you know that in 2008 it will be **50 YEARS** since we climbed those well worn stairs into the Brookman Building for the first time?

Judy McKeough would like to hear from any old scholars who commenced at ATHS in 1958 (or joined those classes) who may be interested in a reunion to celebrate this event, perhaps in the latter part of 2008. Those interested in forming a small committee to plan the reunion would be particularly welcome. Contact Judy on 8353 3910 or email bmckeough@bigpond.com
